

# Mackworth Essentials 400 Mobile Hoist

**The Mackworth Essentials Mobile Hoist represents the greatest value mobile moving and handling hoist available to the market.**

The hoist boasts an impressive 400lb lifting capacity, powered leg opening and market leading Linak® actuators and motors. It truly represents real value for money in its class.

The reduction in cost is achieved by only including “essential” components and features to reduce manufacturing complexity without compromising on quality.

The Mackworth Essentials mobile hoist benefits from the same rigorous ergonomic design procedures and quality checks as our other trusted Mackworth products and are constructed from high quality powder coated steel that will provide years of reliable service.

## Features & Benefits
