The World's Most Comfortable and Safety-Tested Mask

**Thanks for your interest in our SofMask™ – the world's most comfortable mask! SofMask™ is perfect for Restaurants, Hotels, Casinos, Fast Food, Airlines, Entertainment Companies, Sports Teams and so much more!**

Reinvention is the sign of today's world, especially during COVID19 and Pacific Sportswear has reinvented once again with the goal of keeping employees and the public safer. Introducing SofMask™ - not your run of the mill, T-shirt fabric or cheap 2-ply cotton, but a 3-ply (with filter) that is a soft, comfortable, washable and reusable mask that we can embroider, screen print or dye subliminate on the front. Our mask is the only one featuring our proprietary anti-fog nose piece to keep that annoying steam from clouding up the employee's or consumer's glasses.
