

MEDI DEFENSE®
mPulse™ HAND SANITIZER

**REFILLABLE FOAMING
WALLMOUNT SYSTEM**

MediDefense® mPulse™ Hand Sanitizer's refillable wallmount system, offers many benefits over traditional disposable bladder systems. A large 1 liter refillable insert helps packaging waste. Our 1 gallon refill containers offer cost per volume while saving storage space. Finally unique foaming action is gentle on the skin and help distribute MediDefense® mPulse™ over your hands for maximum protection.
